

# NORTH CAROLINA NOTARY ASSOCIATION

The North Carolina Notary Association is a non-profit North Carolina Corporation organized to benefit all notaries in North Carolina.

Their objective is promotion of excellence in Notary work; encourage continued education and information to Notaries and work towards those objectives that are in the best interest of notaries, and the general public that they serve across the State. Concerns of the Notary Association are that notaries should be more knowledgeable about changes that affect their work.

Notaries Public are public official appointed by the State through the Secretary of State's office to perform many varied and important services for the public. Their primary functions are to prevent fraud and forgery.

There is a tremendous amount of liability and responsibility for the acts Notaries perform. The public in general has very little knowledge of the work of Notaries, and unfortunately some Notaries are not well informed.

North Carolina Notary Association plans to public a quarterly Newsletter, hold Annual Meetings, sponsor Seminars that will prove beneficial to all North Carolina notaries and all those with whom they work, to enhance the office of Notary Public and promote greater professionalism among notaries.

Membership in the North Carolina Notary Association is a direct means by which notaries may become better informed of their duties and any changes that affect their notary work. Informed notaries better serve the public and take greater pride in services rendered to the public.

As specified by N.C. Statutes, membership is also open to ex-official notaries (such as Registers of Deeds, Clerks of Courts, etc.).
