TRAFFIC RULES AND REGULATIONS

Each vehicle (visitors excepted) used or parked on campus at either the Main Campus or the Health Sciences Campus must be registered and display a current official registration decal on either the left rear bumper or on the driver's side of the rear window (attached inside the vehicle). This must be visible from outside the vehicle.

Registration of student vehicles should be conducted as part of the normal College registration process each semester. Each vehicle to be used or parked on campus must be registered separately and have its own decal. A fee will be charged for each student vehicle which is registered.

Vehicle registration rules apply at all times. Vehicles parked on campus must be in legitimate parking spaces. Violators of parking and registration rules will be subject to fines, and possible additional penalties, as specified in the ordinance adopted by the Board of Trustees, entitled 'Wake Technical Community College Traffic Rules and Regulations.

The following are redacted statements from the above mentioned ordinance, the issuance of which is authorized under Chapter 115D-21 of the North Carolina general Statutes:

No vehicle shall be driven in a careless or reckless manner or in direction opposite to that indicated by appropriate signs or markings on roadways which are designated as one-way streets.

For the purpose of determining the speed limit on the campus, the campus shall deem to be a business district, and the speed limit shall be 20 miles per hour.

Vehicles parking in non-parallel parking spaces shall be parked front in or at an angle to the curb indicated by markings or signs, and no vehicle shall be parked in a manner as to occupy more than one space. All vehicles must park in the direction of the flow of traffic pattern.

Parking in the following places is prohibited: on a sidewalk or walkway, along the main driveway entering the College, in the driving lanes of parking areas, in loading or unloading areas, in fire lanes, on the grass or landscaped areas, in the approaches or other portions of parking areas which are not clearly marked for parking.

Neither Faculty, Staff or Student vehicles may use those parking spaces specifically reserved for certain persons or functions (i.e. visitors, President, institutional vehicles, etc.).

The Security Manager of Wake Technical Community College may authorize the removal from the College's property and the storage at owner's expense of any vehicle illegally stopped or parked. Those categories of illegality are: parked in a handicapped space without proper authorization, parked in a reserved space without proper authorization, parked in an area not designated for parking, abandoned, or is a vehicle which has had parking privileges revoked.

EACH OF THE FOLLOWING VIOLATION CATEGORIES CARRIES A FINE OF \$5.00.

REGISTRATION VIOLATIONS

Failure to register vehicle
Failure to display current parking decal

PARKING VIOLATIONS

Parking in unauthorized space
Parking in non-parking space
Parking in a manner creating a hazard
Vehicle facing in wrong direction
Vehicle improperly in parking space

MOVING VIOLATIONS

Driving in a hazardous manner
Failure to head stop sign
Failure to heed yield sign
Driving wrong way in drive lanes

Appeals from citations must be made in writing within seven (7) days to the Appeals Review Board through the Division of Administrative Services. Appeals submitted after the seven-day period will not be considered. Appeal forms may be obtained at the reception desk in Holding Hall on the Main Campus or at the Dean's office at the Health Sciences Campus.

Fines must be paid within 14 days of issuance of citations. Violators who fail to pay fines within that period may have parking privileges revoked. So long as fines remain unpaid, students may not participate in graduation ceremonies, receive transcripts of grades, receive documents acknowledging graduation, or register for subsequent semesters of schooling.

Violators who acquire three or more violation citations in any semester are subject to having parking privileges revoked.
