# About the North Carolina Notary Association

The North Carolina Notary Association is a non-profit North Carolina Corporation organized to benefit all notaries in North Carolina.

Our purpose is promotion of excellence in Notary work, encourage continued education and information to Notaries and work towards those objectives that are in the best interest of notaries, and the public that they serve across the State.

Membership in the North Carolina Notary Association is a direct means by which notaries may become better informed of their duties and any changes that affect their notary work. Informed notaries better serve the public and take greater pride in services rendered to the public.

As specified by N.C. Statutes, membership is also open to ex-official notaries (i.e., Registers of Deeds, Clerk of Courts, and Secretary of State Employees.)

## Why the NCNA?

North Carolina Notaries Public are public officials commissioned by the North Carolina Secretary of State to perform duties as specified by the North Carolina General Statutes. A notary's primary function is to prevent fraud and forgery. The responsibilities and liabilities of this public position are significant. A Notary's duties are limited to performing:

- Acknowledgments
- Oaths and Affirmations
- Verifications and Proofs

Unfortunately, many notaries in North Carolina are not as well-informed as they should be on what their authority is and do not keep up with changing laws and trends.
